(a) whether Government are aware that the drought situation in certain parts of the country has been so grave that the parents particularly in Orissa had to sell their children or to give them in bondage to save them from starvation deaths;

(b) if so, what is the number of such cases ;

(c) whether any central team has visited the drought affected states in the country ;

(d) if so, what are the findings and recommendations of the Central team ;

(e) what is the quantum of the central assistance given to drought affected states, State-wise ; and

(f) whether any review of the relief programme taken up by the State Governments has been made and if so, the details thereof ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM) : (a) to (f) Information is being collected and will be laid on the Table of the Sabha.

Measures to contain losses of Delhi Milk Scheme

672. SHRI KRISHNA KUMAR BIRLA : Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that as alleged Delhi Milk Scheme is riddled with bungling, mismanagement and corruption ;

(b) if so, what is the accumulated loss suffered by DMS till date; and

(c) whether any critical analysis of the working of the DMS has been made by Government, if so, what are the details thereof and the measures taken by Government to improve its working to minimise losses ?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM) : (a) No, Sir.

(b) The accumulated loss of Delhi Milk Scheme from its inception in November, 1959 till date are Rs. 226·72 crores as assessed on provisional basis. The losses are mainly due to the fixation of sale price of milk lower than the cost of production, in order to fulfil its avowed policy to provide remunerative market to the producers of milk on one hand and to make available the quality milk at reasonable rates to the citizens of Delhi/New Delhi on the other hand.

(c) The Staff Inspection Unit of the Ministry of Finance (Department of Expenditure), conducted a study of the staff strength in Delhi Milk Scheme. As a result of the recommendations the staff strength of DMS has been reduced by about 21% whereas its installed capacity has been increased from 3.75 lakh litres per day to 5.00 lakh litres per day. Various steps have been taken by DMS to reduce the losses by better utilisation of installed capacity effecting economies in the consumption of various utilities/consumables like polythene film, petrol, etc. rationalisation of distribution routes and revision of sale price of milk from time to time.
